Subject: SR 99 Alaskan Way Viaduct Phase 2 EIS
Bored Tunnel Conceptual Engineering Support for EIS
Draft Urban Design Concepts and Themes

Reference: PE.PD.32
LOT-_____

Dear Alec:

Parsons Brinckerhoff herewith submits the draft deliverable noted below from the Phase 2 EIS Continuation Scope of Work to your staff.

TASK	DELIVERABLE	QUANTITY	Comments Due
CE.06	SR 99 Bored Tunnel Alternative – Urban Design Concepts and Themes	___ hard copies & ___ CD	May 13, 2009

This deliverable has been reviewed internally in accordance with our Quality Assurance/Quality Control procedures. In order to expedite the review process, the Interdisciplinary review and the Lead Agency review will occur concurrently.

The Review Comment Form will be sent electronically. Each reviewing agency is requested to return consolidated comments to Lois Diemer at diemerl@consultant.wsdot.wa.gov.

The Comment Resolution Conference is scheduled for _____ on May 28, 2009 in the _____. The consolidated responses to comments will be distributed via e-mail prior to this meeting.

Please advise if further information is required. As always, you may reach me at 206-382-6352. If you have any questions about this deliverable, please contact Boris Dramov at _____.

Very truly yours,
Parsons Brinckerhoff

Mike Rigsby, P.E.
Project Manager
